

OUR SUPPLIERS

The Wychwood Brewery is tucked away behind the main street of the market town of Witney, in the heart of the Oxfordshire Cotswolds. Witney is historically famous for its 3 Bs; its bread, its blankets and its beer. Brewing has taken place in Witney for centuries. Best known for "Hobgoblin", Wychwood brew a large variety of beers and ales.

They say that necessity is the mother of invention and boy is that true, after spending more than twenty years in the brewing industry in some form or another, it was only natural that one day I would be a lucky chap and be a partner in my own brewery. Together with some really good friends, who had just as much history in the trade as me (actually I think they all had a lot more!), we started to plan how

OUR SUPPORTERS

The Parish of Witney are committed to living their lives in the love, joy and hope of the risen Christ. They are four Church of England churches, serving the town of Witney and the villages round about. You can find them in church, in schools, in hospitals, supermarkets, nursing homes, up late with the Street Pastors, at the toddler group... wherever people are.

Hogfathers are a local spit roast specialist that can help you to ensure that any event or party that you are having will be the talk of the town for years to come. The team at Hogfathers are committed to ensuring that you receive the best possible service. They are a small, friendly team who pride themselves on customer service.

WitneyTV has quickly become the site of choice for West Oxfordshire residents for the news and current affairs. Reporting only positive stories, WitneyTV produce short films to promote this great area. The produced films and administration of the Community Interest Company is made up completely by volunteers

Special Effect give everyone the opportunity to play computer games, regardless of any disability. For many the majority of computer games are simply too quick or difficult to play. They offer the advice and loan equipment that will enable them to enjoy the benefits of games to the very best of their abilities.

ROUNDTABLE

We're a Carterton based brewery producing high-quality beers, mostly in bottles, to be enjoyed on their own and paired with food. We believe that beer needs to reclaim its position on the dinner table as a complement to any food. We have launched a range of bottled beers, all brewed for flavour, and enjoy working with a growing number of local food producers, retailers and pubs.

Prescott Ales takes pride in sourcing the bulk of its brewing ingredients from the local English countryside within a 50 mile radius of its Cheltenham-based brewery. Many of the hop varieties we use are grown in Herefordshire and Worcestershire, while our malted barley is produced and processed in Wiltshire to create the rich malts for our flavoursome ales.

WHERE THE MONEY GOES

St Mary's Church, Witney, is a magnificent Grade 1 landmark building which dates back to the 11th century when a Norman church was built. This was incorporated in the present building as the nave in the 13th century. The present church was dedicated in or around 1243 (hence the balloons and 770 - in case you were wondering)

Guidance from English Heritage indicates that a significant amount of money needs to be spent each year on the maintenance and repair of the building. St Mary's Church (Witney) Preservation Trust, a registered charity no. 284576, was set up in 1982 to support 'the restoration, repair and upkeep of the Church'. Therefore, it is hoped to use some of the money raised at last year's beer festival to inspect and repair the church spire, which due to its great height will need professional steplejacks to inspect it.

On a lighter note, this will give the opportunity to remove the elder bushes currently growing from the masonry and will give entertainment to the resident family of white doves.

I would like to welcome you all to the 2nd Witney Beer Festival, again held within the magnificent St Mary's Church. A lot of hard work has gone into what I hope will be a successful one.

Thanks go to our sponsors and supporters! In the spirit of Round Table this event aims to raise money for local causes whilst having fun along the way and without their support less money would go to the places we would like them to.

I'm also going to thank my fellow tablers for their work. Witney 499 are a great bunch of chaps, we have great fun embarking on our various stunts and activities whilst putting in time and effort to organise events such as this to raise money for the local community.

Lastly if your reading this and would like to find out more about Round Table, ask one of us. We would be pleased to tell you more!
